

Subs

The subscription for Ecclesfield Spartans for the season 2026/27 is **£256**

Subs are paid in advance by the 1st of the month and cover the following month or payment period whether you attend or not.

Why do we need subs?

As officials, managers and coaches we are all volunteers, however, we still have to collect subs to cover the expenses we incur as a Club. Without subs, quite simply Ecclesfield Spartans cannot exist. Ensuring your son/daughter is able to train and then play at the weekend costs many thousands of pounds each year.

What do the subs pay for?

Some of the main expenses we have are pitch hire for winter training on artificial pitches, maintenance of our pitches including paying for the general upkeep, mowing, insurance, affiliation costs, renewal of football equipment, kits and clothing, paying volunteers' expenses, professional football development, courses and of course our end of year trophies.

All subs and signing on fees contribute to paying for the items and services above and many more.

What happens if I am late paying?

Late payment of subs will result in a notification being sent to the players parent(s)/guardian by the Club requesting payment.

After 7 days of the outstanding amount not being settled (from the date of the notification), the player will be suspended until the appropriate payments are made. This includes both matches and training.

In the event of a player leaving or the team folding:

Kit must be returned. All kit is the property of the Club and not team or individual irrespective of how it is paid for. It has a value and thus non-return may lead to a debt that will prevent a player signing for another club until settled. Named or personalised can be kept.

Please note: If a player wishes to leave the Club mid-season whilst owing money, we will withhold their registration and object to the transfer with the League until their balance is settled and all kits are returned. A player, who intends to leave the Club for another mid-season, needs the permission of Ecclesfield Spartans. This will not be given until all financial matters are settled. Whilst we would like all our players to finish the season with us, sometimes players do leave. Many of the costs are incurred whether home games are played or not. No refunds will be issued until all Club equipment is returned.

Discounts are available for paying up-front at time of registration and also for siblings of players already at the Club.
